

# TRIALVIEW®

In 2020 the Law Society and Commercial Litigation Association of Ireland asked the Irish Courts to approve TrialView as an alternative tool for remote hearings.

Following a number of successful pilots it has now been formally accepted by the High Court as an alternative platform. It has been recognised as particularly useful for witness hearings, hybrid actions and document heavy remote trials.

“...I WAS HUGELY IMPRESSED BY IT”

**The President of the High Court, Ms Justice Mary Irvine,** on her experience with pilots carried out by TrialView. (Comments made during case management hearing on 16 October 2020 in relation to the orders made to use TrialView for the *Blackwell v Minister for Health Proceedings*.)

## ENDORSEMENTS FOR TRIALVIEW'S HYBRID MODEL

**Mr Justice Denis McDonald** on the use of TrialView for the FBD litigation.

*"...it...worked extremely well"*

*"[T]he system [was] perfectly adequate from a judge's perspective in terms of being able to see the face of the witness clearly as the witness is being asked questions of counsel.*

*One can also get a gallery view so one can see more than one face at a time*

*I also want to thank TrialView...for the exceptional way [it] managed to bring up every single document, no matter how many documents were referred to by counsel."*

## ENDORSEMENTS FOR TRIALVIEW'S DOCUMENT MANAGEMENT AND PRESENTATION SYSTEM

*"...I found the experience  
satisfactory and straightforward to  
use".*

**Mr Justice Garrett Simons** about the use of TrialView during the Quinn v IBRC litigation involving over 150,000 trial documents In one of the State's largest banking disputes.

*"..it was of great assistance to  
the parties and certainly cut  
down the trial time substantially".*

**Paul Gallagher SC** on the use of TrialView in the Pandremix Vaccine litigation - A highly sensitive class action against GSK Pharmaceuticals and the Irish Department of Health
